1905

PREFACE

This volume contains separate lists of the Alumni of the Illinois State Normal University, of the Faculty, and of the Board of Education of the State of Illinois, each list separately indexed.

After the name of each alumnus we have expected to state occupation, present address, teaching record, and such other facts as may be of special interest. If the occupation is teaching or housekeeping it is usually not stated. The alumni of the high school are numbered and indexed separately.

The faculty are listed in the order of their appointment. An effort was made to secure a brief sketch of the subsequent career of each, and of the present address of all the living ex-members. They are indexed by number.

Members of the State Board are listed in the order of the appointment with the address and occupation at that time. The present address has been added when known.

This volume is far from complete and doubtless contains many errors. We trust that you will promptly send us corrections and such additional facts regarding yourself or others as should find a place in this book. We wish especially to state the particular branches or grade of school now taught. We now have facilities for recording and preserving such information.

On February 18, 1907, this institution will reach the half-century mark. A few months later we hope to celebrate the Jubilee with fitting ceremonies. Every class doubtless will be represented. A feature should be the assembling of biographical data regarding all the alumni to be published in a memorial volume. It is suggested that the president, about October 1, 1905, appoint a historiographer for each class, such appointments to be made from nominations received by him. Your co-operation is earnestly requested.

Alumni Register.

CLASS OF 1860.

- *1. Sarah M. Dunn (Mrs. Strickler). Peoria H. S. 2 years; 1413 N. 19th St., Philadelphia, Pa.
